Certificate of Conformity

0050 - CPR - 0012

System 1+

In application of Statutory Instrument “European Communities (Construction Products) Regulations”, 1992 relative to the application of the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Regulation - CPR), it has been stated that the construction product

CEM I 42,5 R

Produced by the manufacturer

Lagan Cement Ltd.

**Lansdown,
Killskillen,
Kinnegad, Co. Westmeath.**

In its factory

Killskillen, Co. Westmeath.

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – National Standards Authority of Ireland – has performed the initial type-testing of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory.

This certificate attests that all provisions concerning the attestation of conformity described in Annex ZA of the standard I.S. EN 197 as amended were applied and that the product fulfils all of the minimum prescribed requirements.
